Langan's

Upstairs at Langan's, A Private Members Club

Mayfair's newest and most exclusive members only club, discreetly located above Langan's Brasserie, let *Upstairs* transport you to a world of sophistication, character and fun. Akin to the members clubs of old, *Upstairs* is a spot to enjoy after-work cocktails or dinner with friends, before taking to the dancefloor until the early hours to the sounds of London's most captivating DJs and live bands.

The *iconic* Langan's is back

Created in 1976 as a joint venture between Sir Michael Caine, Peter Langan and Michelin-starred chef Richard Shepherd, Langan's burst onto the global restaurant scene, attracting guests from Elizabeth Taylor and Elton John to Princess Margaret and Mick Jagger. It became one of the most talked about venues in London.

Langan's is now re-born with a new private members club on the first floor.

Dining

Intimate yet buzzy, members are able to dine *Upstairs* 5pm - 11pm, Monday - Saturday, with late night snacks available into the early hours. Our brand new menu includes a selection of classics from Langan's à la carte menu - think caviar and oysters, yellowfin tuna with black truffle and yuzu, and from the grill, Hereford filet mignon.

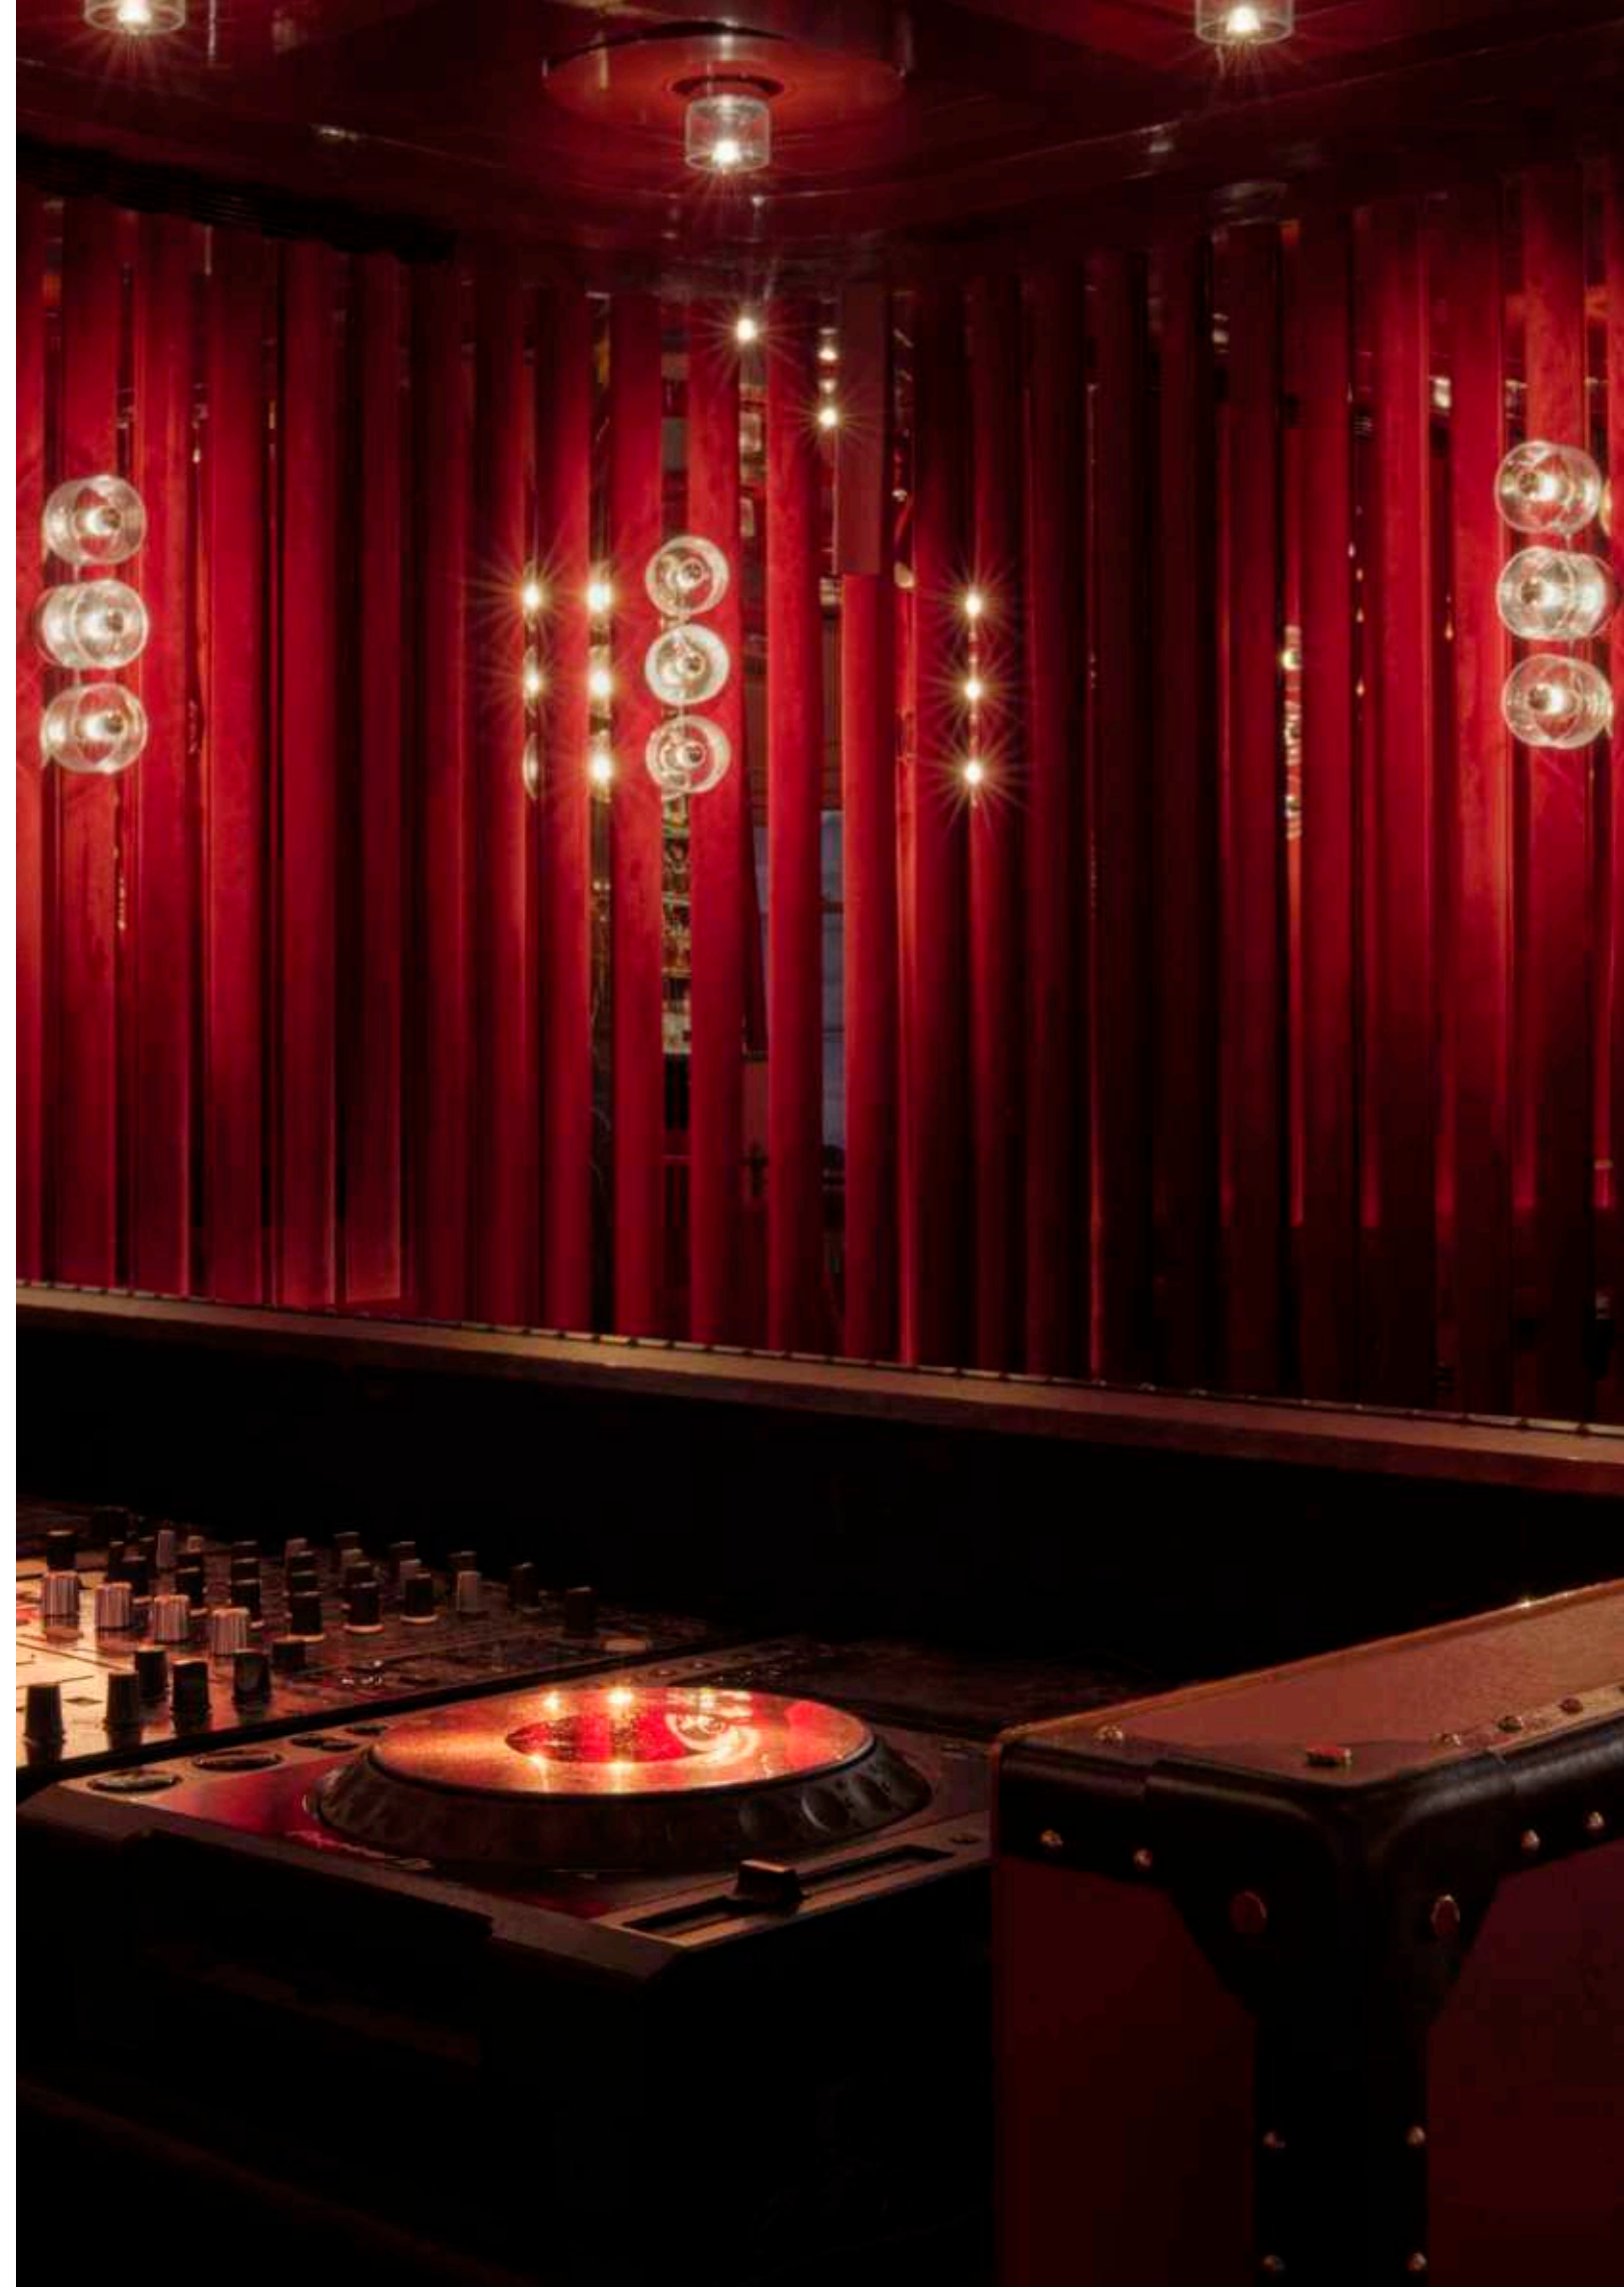

Drinking

Pull up a stool. *Upstairs'* doors open at 5pm, and after a long day at the office, you can rely on our expert mixologists to present you with the perfect martini post-work or pre-dinner. For those that prefer something a little livelier, our doors are open until the early hours.

Dancing

Every Thursday, Friday and Saturday, enjoy nightly live entertainment including *Upstairs'* house band and London's most captivating DJs - guaranteed to keep you on the dancefloor. Plus, there's our Final Thursday of the Month party.

The image shows a luxurious lounge interior with a vibrant red color scheme. The walls are covered in red velvet, and the ceiling features a series of circular recessed lights and a large, ornate chandelier. A long bar with a red tufted front and chrome stools is visible in the background. In the foreground, there are red upholstered armchairs and a round table. A large mirror on the left wall reflects the interior, showing a seating area with yellow armchairs and a small table. The floor is covered in a red carpet with a circular pattern.
