

## Dress Code

Upstairs at Langan's operates a smart dress code that warmly encourages style & flair from our members and their guests. The guidelines outlined below are to help ensure that attire remains appropriate when visiting the club. Jackets are recommended for gentleman but not mandatory.

### Permitted

- Smart tailored jeans, in a solid colour
- Smart or neat trainers
- Long or short sleeved t-shirts are permitted when worn with a tailored jacket for the duration of your visit
- Smart or neat sandals
- Smart hats, such as brimmed hats or fascinators

### Not Permitted

- Sportswear
- Shorts
- Hoodies
- Casual hats and headwear
- Flip flops
- Excessively revealing clothing

While we understand that some attire may technically align with the dress code, guests who are deemed unsuitably presented may be refused entry. This decision will be made entirely at the discretion of our front of house team. We ask that hosts ensure the dress code is conveyed to any guests invited to the club.

Kindly note, all coats and bulky items must be left in the cloakroom with no exceptions.
