Cigar Menu

Light and Light to Medium Flavored

Hoyo de Monterrey Monterreyes No.4 Limited Ed 2021 108

Vitola: Maravillas No. 4 – Smoking Time: 60 minutes
Ring Gauge 55 -- Strength Light – Length: 145 mm

As with all Edición Limitadas since 2007, the tobacco used to make this cigar has been aged for a minimum of two years. This helps to create a more rounded and approachable flavour profile. The darker wrapper also provides a hint of sweetness that works exceptionally well with Hoyo de Monterrey's distinct light flavoured blend.

H.Upmann Magnum 50 52

Vitola: Magnum 50 – Smoking Time: 35 minutes
Ring Gauge 50 -- Strength Light to Medium – Length: 160 mm

Made side by side with Montecristo in the same factory since 1937 and offering a similar bitter-sweet tanginess. Contemporary heavy gauge and far removed from the longer, slimmer formats preferred in the past.

Hoyo de Monterrey Epicure Especial 40

Vitola: Gordito – Smoking Time: 40 minutes
Ring Gauge 50 -- Strength Light – Length: 141 mm

Solidly rolled with a flat head and three seam cap. Hoyo de Monterrey was the first brand to introduce a Petit Robusto in 2005, the 50-ring gauge size with a shorter length to suit those who like thicker formats, but do not always have the time to enjoy them.

Medium Flavored

Cohiba Siglo III 62

Vitola: Corona Grandes – Smoking Time: 40 minutes
Ring Gauge 42 -- Strength Medium – Length: 155 mm

Often underestimated, the Siglo III can be depended upon to deliver perfectly balanced, elegant medium bodied flavors and aromas.

Trinidad Vigia 58

Vitola: Torres – Smoking Time: 35 minutes
Ring Gauge 54 -- Strength Medium – Length: 110 mm

Plenty of strength by Trinidad's standards but cooled nicely by its width. Heavy leather throughout, with plenty of spice and coffee, and an underlying black pepper which gets overtaken by the other notes in time, this delicious heavy gauge smoke is a welcome addition to the brand's portfolio and hits the spot nicely when both strength and refinement are of preference.

Romeo Y Julieta Short Churchill 43

Vitola: Robusto – Smoking Time: 35 minutes
Ring Gauge 50 -- Strength Medium – Length: 124 mm

For too long there was no robusto in Romeo's range, so the arrival of the Short Churchill in 2006 proved most welcome. It was the first medium flavored cigar from Cuba in this popular vitola. Hardly surprising, then that it has been a huge success.

Romeo Y Julieta Wide Churchill 43

Vitola: Montesco – Smoking Time: 40 minutes
Ring Gauge 55 -- Strength Medium – Length: 130 mm

Here is one of the new generations of extra heavy weights which was released in 2010 and remains a unique size in the standard Habanos S.A. portfolio.

Montecristo N0. 2 52

Vitola: Pirámide – Smoking Time: 45 minutes
Ring Gauge 52 -- Strength Medium – Length: 156 mm

If ever one brand has come to dominate a particular vitola, this is it, with this classic Pirámide or 'torpedo' size. Easy burning with a controlled release of faithful Montecristo flavors.

*Medium to Full Flavored***Cohiba Esplendidos 128**

Vitola: Julieta No.2– Smoking Time: 45 minutes

Ring Gauge 47 -- Strength Medium to Full – Length: 178 mm

*Cohiba's brilliant Churchill size, first seen in 1989. Beautifully presented in mid-tone wrappers. Make for this stately cigar, the king of the Linea Classica.***Cohiba Siglo de Oro 265**

Vitola: Exitosos– Smoking Time: 25 minutes

Ring Gauge 54 -- Strength Medium to Full – Length: 114 mm

*The name of the vitola “Siglo de Oro” celebrates the Year of the Rabbit in honour of the Chinese lunar calendar as well as the 30th anniversary of the Linea 1492, one of the most successful lines of the brand.***Montecristo NO. 4 29**

Vitola: Mareva– Smoking Time: 30 minutes

Ring Gauge 42 -- Strength Medium to full – Length: 129 mm

*The most popular handmade cigar in history. Its rich, tangy, medium to full strength acts as the benchmark for most smokers embarking on the journey to find their preferred Habano.***Cohiba BHK 54 255**

Vitola: Robusto Extra – Smoking Time: 70 minutes

Ring Gauge 54 -- Strength Medium - Full – Length: 144 mm

*With a limited annual production and boasting a fourth filler leaf called the “medio tiempo” that brings a startling intensity to the flavour. It is arguably the most exclusive ‘regular’ production cigar in the Cuban portfolio.**Full Flavored***Partagas Serie D No. 4 43**

Vitola: Robusto– Smoking Time: 35 minutes

Ring Gauge 50 -- Strength Full – Length: 124 mm

*The best known of all Partagas is the Serie D No. 4, the robusto size that formed part of the legendary Partagas alphabet series that dates back to the 1930's. In 2005 a Piramide, the Partagas Serie P No. 2, was added to the range, which fast became a cigar of choice amongst lovers of full flavored Habanos. In 2011 the Serie D No. 5 and the heavy ring gauge Serie E No. 2 extended the alphabet series once again.***Partagas Serie E No. 2 52**

Vitola: Duke– Smoking Time: 40 minutes

Ring Gauge 54 -- Strength Full – Length: 140 mm

*2011 saw the addition of a new letter to the Partagas Alphabet Series. The E means the cigar has a ring gauge of 54. A big cigar in size and taste with attractive packaging improvements too***Bolivar Belicosos Finos 42**

Vitola: Campana – Smoking Time: 40 minutes

Ring Gauge 52 -- Strength Full – Length: 140 mm

*A deep and earthy Belicoso that comes in Cabinet Selection bundles of 25 as well as standard labelled boxes. A great choice to follow a rich in flavor meal.***Ramon Allones Private Stock 230 UK RE 108**

Vitola: Partagas 16 – Smoking Time: 70 minutes

Ring Gauge 50 -- Strength Full – Length: 170 mm

The Ramon Allones Private Stock 230 was originally intended to celebrate the 230th Anniversary of Hunters & Frankau in 2020 released as a rare size known as a Partagás 16. This excellent cigar starts lighter than you would expect from a full-strength brand but develops into the unmistakable flavour and aroma of the Ramon Allones blend.
