An alluring cuvée; a rare and precious rosé Champagne with a charming personality

In 1811 a year after their wedding in Epernay, young lovers Pierre-Nicolas Perrier and Rose-Adélaïde Jouët founded Maison Perrier-Jouët together, which remains one of France's most historic and distinctive Champagne houses.

Inspired by their shared passion for nature and art, they created a boutique house renowned for its floral, elegant Champagnes that capture the pure expression of Chardonnay. Today, that same spirit of romance and craftsmanship lives on — each bottle a celebration of beauty, creativity, and enduring love.
